

Enterprise Architect – Multiple Roles

About:

Mosaic Island are experts in Design and Assurance of complex IT change - from strategy through to delivery - enabling our clients to accelerate and exceed their business ambitions with confidence.

We are currently working on one particularly exciting and high-profile programme of work which aims to deliver business transformation in several areas of our customer's business.

As a result, we are looking for a highly-skilled Enterprise Architects ideally from a Telecoms background to work in our wider delivery team.

Skills & Experience Required:

- Managing Business Area Stakeholders
- Influencing
- Bridging the gap between the technology and business needs – Selling the solution
- Road mapping
- Extensive Experience within OSS / BSS architecture
- Strategic consulting
- Strong Domain Knowledge
- TOGAF Certified
- Ideal experience working within the Telecoms sector
- Excellent Stakeholder engagement skills
- Both business and commercial awareness critical

We are paying competitive rates for this role with the opportunity to work on an exciting cutting-edge consultancy engagement on a long-term basis. The role will be based in Maidenhead.

Mosaic Island is an equal opportunity employer and is determined to ensure that no applicant or Employee receives less favourable treatment on the grounds of gender, age, disability, religion, belief, sexual orientation, marital status, or race, or is disadvantaged by conditions or requirements, which cannot be shown to be justifiable.
