

Telecoms IT Solution Architects – multiple roles

About:

Mosaic Island are experts in Design and Assurance of complex IT change - from strategy through to delivery - enabling our clients to accelerate and exceed their business ambitions with confidence.

These new and exciting Solution Architecture requirements will support the engagement process for new “ideas” being raised across various IT portfolios, primarily OSS/BSS domains. You will be expected to work across multiple ideas, with each assignment taking 4-8 weeks depending on complexity. SA’s will also be expected to help collate/prepare/analyse business demand for the forthcoming planning year.

Responsibilities:

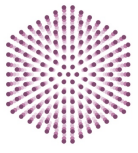

- Use both business and technical expertise to provide "senior consultant" level support to business owners to help take ideas forward into project mobilisation
- Ensuring projects are set up for success - working with key stakeholders to identify and clarify scope, (very) high level solution landscape, resources, ROM costs, timescales, constraints and dependencies
- Ensuring alignment of solutions to the target architecture
- Capturing work in a high-quality Engagement Assessment document, and presenting it for approval at RADAR (an IT governance forum)
- Engaging with all key stakeholders in the production of the Engagement Assessment, including Business, EAs, Security, SMEs, Service Design, Delivery teams etc
- Also - Contributing early in the roadmap lifecycle and change process, involvement in yearly planning cycle to shape the demand pipeline.

Skills & Experience required:

- Experience across BSS/OSS domains but primarily around consumer/ SMB/billing/online/propositions but also strong, rounded Solution Architect skills that can be adapted
- Ability to understand and interpret early stage requirements and play them back, getting optimum balance between business expectation and technical complexity/direction
- Ability to use industry standard modelling techniques to convey understanding of requirements, processes, solution landscape etc.

We are paying competitive rates for this role, initially you will join on a 6-month contract with the potential of a 3 – 6 month rolling thereafter.

Mosaic Island is an equal opportunity employer and is determined to ensure that no applicant or Employee receives less favourable treatment on the grounds of gender, age, disability, religion, belief,
